too informal :C

A book right?

(We use the library a lot. And if we still don't understand, we can ask the librarian for help. But there are bad things too. ^{spoken English!} The computers and printers ~~are too~~ take ages to search and power on. ^{In addition,} Also, with many students talking in the library, ^{noisy} it's very noise and make students hard to focus. ^{分开!!!} ^{分开!} ^{名词}

We could get some new computers and new printers to replace ^{the} ~~old~~ ^{ones} ~~stuffs~~, so we can study more efficiently. For the noises, can put some signs ^{asking for silence} with ~~quiet please~~ and ^{have} librarians reminding students to be quiet.
